EUROPEAN
LAMP
COMPANIES
FEDERATION

We represent the leading **lamp manufacturers** in Europe. 95% of total European production. 50 000 employees in Europe. 5 billion EURO European Turnover - [view lamp statistics](#). We are an international non profit-making association under Belgian law with a secretariat in Brussels. We are a flexible, light & efficient decision-making lobby organisation. *See our views on **climate change & energy efficiency**. [Recent news](#).* We were created in 1985 – [view our structure](#).
